

INTERNATIONAL CASTING CALL for INDEPENDENT FEATURE

A bold and controversial film that won't be easily forgotten!

Seeking WOMAN; 27 - 40 years

We are seeking a woman between the ages of 27 – 40, who embodies a sense of fearlessness and intelligence. You are sexy but not necessarily beautiful. A modern-day femme fatale. Open to all Nationalities. Must have a strong command of the English language.

This is a letter written by HER... (for reference only)

"This is not easy for me. I don't do this. I don't open up. I move alone in this world, carving my own way beyond the path of the masses, so as not to be trampled and consumed. Eat or be eaten, my mother used to tell me. I woke up to find I was already marinating in the foul stench of male coercion. But I was not meant to be some dumb fuck's delicacy. So instead, I found a way to feed off their greed and purged myself of a selfish system that would consume my body and my being to quench its own twisted desires. If you don't choose your own life, someone else will choose it for you. Now, my body is my own canvas. I paint it and repaint it and repaint it. I love without ownership, I am alone without loneliness, I am at home without a home. Like you, I have mastered well this game of smoke and mirrors."
